The North Cavalcade ROD Amendment was signed Friday, 8/26; the PCOR is in concurrence, and at the end of yesterday, the PCOR was on Mark Peycke's desk. So, only Mark, Pam, and Sam left to sign today.

I called Bob Patton this morning to let him know that we will not be able to get Construction Completion for the Old Esco and Gulfco today (8/30/11) to meet the end of year for them. He thanked us for the effort and understands the time needed to get all the field work and paper work in place. CAS
